A Past President active in the business of the Board should have voting powers; this is consistent with other minor hockey associations (i.e., GMHA, WRGHA).

Submitted by: GGHA Board of Directors

AMENDMENT #3 to: By-Law Article **6.03** Nominations

CURRENT WORDING:

Candidates for the office of Director shall include:

- .01 the slate of candidates for office proposed by the Nominating Committee; and
- .02 the persons whose names are put in nomination on form as prescribed by the Nominating Committee by any member entitled to vote fourteen (14) days prior to the date set for the annual meeting of members at which the election of directors is held.

PROPOSED WORDING:

Nominations for members of the Board of Directors must be submitted in writing in the manner prescribed, within fourteen (14) days prior to the date of the Annual General Meeting after which date nominations will be deemed closed. Nominations will be accepted provided the following conditions are met:

- i. the nominee meets the criteria, if any, for the position for which he/she is nominated as provided herein.
- ii. the written consent of the nominee is included in the nomination
- iii. the nomination is signed by at least two other members in good standing (the nominators).

A member can stand for nomination for only one (1) position each year

RATIONALE FOR CHANGE:

The nomination form requires at least two members to support the nomination. The added requirement of two nominators replaces, in part, the role of the Nomination Committee (which has not been utilized for at least several years).

AMENDMENT #4 to: By-Law Article 6.00 Election to the Board

CURRENT WORDING:

The requirement for previous board experience is consistent with the by-laws of other local hockey associations (GMHA, WRGHA, WMHA, KMHA, etc.).

Motion: Seconded: Carried/ Defeated

AMENDMENT #5 to: By-Law Article 6.00 Election of the Board

CURRENT WORDING:

None; proposed new subsection (tentatively 6.05)

PROPOSED WORDING:

A Director may hold a coaching position within the GGHA, providing there is no perceived conflict of interest. A coach cannot hold the position of President, Vice President, Director of Ice Scheduling, or Rep Convenor/Director of House League (dependent upon the program in which they are coaching).

RATIONALE FOR CHANGE:

Clarity around which positions on the Board can be held by Directors who are also head coaches in order to avoid perceived conflict of interest.

Several papers published by the Sport Law & Strategy Group (www.sportlaw.ca) address the topic of conflict of interest. They note:

Directors have the following legal duties:

- The duty of diligence, meaning the duty to act reasonably, prudently, in good faith and with the best interests of the organization in mind,
- The duty of loyalty, meaning the duty to not use the position of director to further private interests, and
- The duty of obedience, meaning the duty to act within the laws and rules that govern the organization. ("Legal Liability and Risk Management: A Handbook for Directors", 2002, prepared for Volunteer Canada) It is also noted that "bias or conflict of interest is not determined by what the person accused of bias or conflict might think, or what the person alleging bias or conflict might think, but what a reasonable third party looking at the situation might *perceive*." ("Balancing the Responsibilities of Multiple Roles", 2009, prepared for Sport Law & Strategy).

AMENDMENT #6 to: By-Law Article **7.03.03** Ordinary Membership by Player Registration

CURRENT WORDING:

It is acknowledge that membership in the Corporation ideally would consist of players whose registration has been accepted in Guelph Girls Hockey Association. However, as many of such players are under the age of majority (18 years), ordinary membership in the Corporation shall consist of one parent or legal guardian for each player registered in the Guelph Girls Hockey Association if such player is under 18 years of age as of December 31 of the current season. If over 18 years of age, an Ordinary member shall be such player as registered in the Guelph Girls Hockey Association. The membership fee for admission as an Ordinary member shall be payment of the yearly fee for registration by or for each such player.

PROPOSED WORDING:

7.03.03 Ordinary Membership

An individual is eligible for membership in the GGHA if he or she is at least eighteen (18) years of age and occupies one of the following roles:

- (a) GGHA Leadership, including head coaches, managers, league convenors, and trainers;
- (b) GGHA Player;
- (c) Parent/Guardian of a registered GGHA player under the age of eighteen (18) years, to a maximum of one membership per player; or
- (d) Director.

RATIONALE FOR CHANGE:

The current by-laws restrict Ordinary Membership to players 18 or older, and parents/ guardians of players under 18 years old. This definition excludes the increasing number of non-parent volunteers currently in the organization who act as coaches, trainers, etc. The proposed by-law would provide membership to such individuals.

The proposal would also extend membership to persons elected or appointed to the Board, who are not members under the current by-laws and thus ineligible to be Directors on the Board. Some examples are, but not limited to, parents of players 18 years or older, past members interested in continuing to support the mission and activities of the GGHA, and other persons in the community who may have skills beneficial to the Board.

This definition is consistent with the by-laws of other local hockey associations (GMHA, WRGHA, WMHA, KMHA, etc.).

Motion: Seconded: Carried/ Defeated

AMENDMENT #7 to: By-Law Article **7.04 Holding Office**

CURRENT WORDING:

No person who is not an Ordinary Member shall be qualified to be a Director.

PROPOSED WORDING:

The following persons are disqualified from being a Director:

- .01 An individual who has the status of bankrupt:
- .02 An individual who has been convicted of an indictable offence;
- .03 An individual who is not a Member of GGHA or who does not become a member within ten (10) days of becoming a Director, or who having become a Member ceases to be a Member for any reason, including termination of their Membership by the Board.

RATIONALE FOR CHANGE:

Points .01 and .02 are already on the current nomination form, but are not included in the current by-laws. They disqualify persons who are unsuitable for governance of a not-for-profit organization.

Point .03 allows for persons who are not currently members to join the board member, by allowing a period to attain membership (see proposed amendment to Section 7.03); it also disqualifies a person whose membership has been terminated by the Board.

Motion: Seconded: Carried/ Defeated
