Rogers Hometown Hockey Update

Rogers will be broadcasting *Hometown Hockey* from Guelph on April 1st and 2nd and your stories, photos and videos can be part of the show! Here's how:

The broadcast producers are looking for community input to identify the stories—and people—that capture the essence of the Guelph hockey community and convey what makes it special and unique. For example: rising stars, local heroes, sport historians, hockey stars and local community stories of triumph and/or tragedy that highlight the hockey culture and history in Guelph.

Photographs or high-resolution video are also being collected to forward to Rogers for their consideration as they develop the event. Photographs should be in TIF or JPEG format at a minimum 300 dpi resolution.

Have your say—show the country our Hometown Hockey pride! Submit your ideas, stories, photos and videos by January 31st to Sandra Pitts at spitts@rogers.com.

Photo Day Update

Team and individual photos are expected from High Five Photography towards the end of January. Your coach or team manager will distribute the photographs as soon as possible after delivery.
