

Midget/Intermediate Skill Session Schedule

This year the player evaluation will be split into two sessions and instead of 'drills' we plan to 'scrimmage'. It should be more fun and it will help the evaluators rate the players based on game situation.

The evaluation schedule is as follows:

Date: Sunday, Sept 17, 2017 & Sunday Sept 24, 2017

Rink: West End Recreational Centre

Time: 7:45 – 9:00 pm for players with last names from '**A' to 'K'**

9:00 – 10:15 pm for players with last names from '**L' to 'Z'**

For Sept 24, 2017 'L' to 'Z' will be the early session.

Sweaters: Players will receive a 'number' to pin on their jersey but can you try to bring a dark & light jersey to the rink. It will make it much easier to sort players for the scrimmages.

Registration: There will be a table set up at rink side for check-in. All players are required to check in (try and get to the rink 20 minutes prior to your scheduled ice time).

Goalies: could you make yourself available for both sessions, as your last names are all before the letter 'L'. We can just rotate throughout the sessions, lots of ice time.

See everyone at the rink!
