

University of Guelph Gryphon Centre COVID Protocol updates – Nov 1-2021

- Everyone must continue to complete the [U of G COVID-19 Screening Form](#) **daily** before coming to campus. Follow the screening form's guidance and **do not come to campus** if you are directed to stay home.
- The [wearing of a face mask](#) is still required on Campus when;
 - At all times when attending an event as a spectator either Indoors or Outdoors
 - Outdoors and physical distancing of 2metres can't be maintained or predicted
 - Indoors when not engaged in active physical sport.
- Everyone must be [vaccinated against COVID-19](#) or have an approved exemption if you intend to enter University buildings or managed-facilities.
- While spectators have been approved at various events throughout the Department we continue to ask that our permit groups try to reduce the amount of people coming to campus if not absolutely necessary.
 - It is the responsibility of the permit holder to be contact tracing all those coming to their booking, if you have spectators coming to watch any activities you as the permit holder must have their contact information readily available when/if asked.
- Capacity restrictions have been lifted in our programming spaces, no longer are there limits in the studios, gyms and on the ice.
- Showers are once again open in both the Gryphon Centre Arena and the Guelph Gryphons Athletics Centre, note that masks must still be worn at all times in the change rooms.
- Teams can access dressing rooms 30 minutes in advance and must vacate 30 minutes after leaving the ice.
