

Guelph 2025 DS Spring Classic Tournament Rules

March 21-23, 2025

The following rules apply to U11, U13, U15, and U18 DS and U9B teams. There are separate rules for U9HL and U7 Jamboree play per Hockey Canada and OWHA Pathways (listed at the end of this document).

1. Hockey Canada and OWHA rules shall apply, except as listed below.
2. All teams and players participating in the tournament must be properly registered through the Ontario Women's Hockey Association or their appropriate provincial or national body affiliate.
3. All players and team officials must be signed in on the RAMP app by your team manager.
4. A maximum of 19 players, including 2 goaltenders may be registered with each team.
5. A player may only participate with one designated team in a tournament and may only participate in one tournament on any date.
6. To be eligible to participate in the tournament, the player's name must appear on the team's approved OWHA roster.
7. In accordance with OWHA rules a House League team may use up to 3 pick-up players to replace absent rostered players who were not suspended. An OWHA "Tournament Pick-up Consent" form properly completed shall be submitted with tournament officials prior to the pick-up player participating in a game. Pick-up players are NOT allowed for DS teams.
8. The coach or manager must check in 45 minutes before the start of their first game to pick up their information packages, and to verify their team rosters.
9. If the tournament is ahead of schedule, **teams should be available to play up to 30 minutes** prior to the start of their scheduled playing time. Tournament organizers will notify them if the referees are available for such to occur. As per OWHA rules, teams may not take to the ice without referees present.
10. Each game will be preceded by a three (3) minute warm up, which begins as soon as the ice resurfacing has been completed. Players and teams must be ready for puck-drop at as soon as the three-minute warm up ends, or risk being penalized for delay of game.
11. Ice resurfacing will be at the end of each game. The ice resurfacing schedule may be changed at the discretion of the organizers and in consultation with the on-ice officials. Teams will be notified of any changes to the ice resurfacing schedule.
12. If at any time during the third period there is a goal differential of five (5) or more, the clock will continue running time, if differential goes back to four, then game will return to stop time.

13. The OWSA minimum suspension guidelines will be enforced. All suspensions will be enforced according to the current OWSA Constitution, By-laws, and Regulations & Rules.
14. Players will shake hands after each game, with gloves on.
15. Flooding of the ice will occur at the end of each game and may be deferred at the discretion of a tournament official.
16. It is each team's responsibility to ensure a clean dressing room is left upon completion of their game. All teams are requested to vacate the dressing room 20 minutes or less after their game is completed.
17. There will be no protests. All officiating decisions are final, whether made on-ice by the referees or off-ice by tournament officials.

DS Round Robin Play

18. Round robin games will consist of three stop time periods of 10-10-12 minutes. There will be no time-outs or overtime in the round robin.

Division of 3: Each team will play a 2-game round robin. The team 1st overall will advance directly to the Final. Teams finishing 2nd and 3rd will play a semi-final; the winner of the semi-final will advance to the Division Final.

Division of 4: Each team will play a 3-game round robin. The top 2 teams after the round robin will play in the Division Final.

Divisions of 5: Each team will play a 4-game round robin. The top 3 teams after the round robin will advance to the playoffs. 1st overall will automatically advance to the Final. 2nd and 3rd will play a semi final. The winner will advance to the Division Final.

Divisions of 6: Each team will play a 3-game round robin. At the end of the round robin, the top four (4) teams will advance to the semi-finals (1st vs 4th, 2nd vs 3rd). The winners of the two semi-final games will advance to the Division Final.

Divisions of 8: Teams will be randomly split into 2 pools (Pool A & B, 4 teams each). Each Pool will play a round robin of 3 games. At the end of the round robin, teams will be ranked within their pool based on points, and the top two teams in each pool will advance to the semi-finals, 1st A vs 2nd B, 1st B vs 2nd A. Winners will advance directly to the Division championship.

19. The overall standings in round robin play will be determined by using the traditional 2-point system: 2 points for winning a game, 1 point for tying a game, and 0 points for a loss. Teams advance based on the total number of points accumulated after their round robin games.
20. In the event of a tie in points between two or more teams at the end of round robin play, the following tie breaking criteria will be used to determine who advances, in descending order down the list until all ties are broken as follows:
 - 1) Most wins;

- 2) Winner of the game between tied teams (applicable only in two-way ties);
- 3) Highest goal differential - total goals scored minus total goals against. For the purposes of calculating this sub rule, the maximum **goal differential in any round robin game will be capped at four (4)**. (e.g. if Team A has 7 goals and Team B has 2, for the purposes of calculating the goal differential for this sub rule, Team A will be allotted 6 goals and Team B will be allotted 2 goals for that game);
- 4) Fewest goals against;
- 5) Fewest penalty minutes;
- 6) Earliest time of first goal scored in any of the round robin games;
- 7) Flip of a coin.

Follow Tie-breaking rules in Order. Once a Tie-Breaking Rule has been used or is not applicable it cannot be used again.

DS Semi-final and Championship Games

21. Playoff games will consist of three stop time periods of 10-10-12 minutes.
22. Each team will be allowed one 30-second time-out in each play-off and championship game.
23. The team with the highest pool ranking (i.e. the team with the most points during round robin play) will be the Home team. In the event of a tie(s), the tie breaking criteria (Rule #18) will be applied to determine the Home team. The Home team must wear their light-coloured uniforms, and the Visiting team must wear their dark-coloured uniforms. If a team has only one set of uniforms, then the team with two sets must switch to the non-conflicting colour. If both teams have only one set of uniforms each and they conflict, the Home team must change jerseys.
24. Quarter-Final and Semi-final games will be played until a winner is declared. In the event of a tie at the end of regulation time, sudden goal (meaning overtime will end as soon as the deciding goal is scored) overtime will be played as follows:
 - a) Five minutes of 5-on-5 (*including* the goalie; a goalie is not mandatory and a skater may be substituted for a goalie if desired); a horn will sound to end the period; and then,
 - b) One round of 'best of three' shootout in groups of three players for the first round and then round(s) of single players thereafter. Teams take turns shooting (i.e., shooters do *not* go at the same time).
 - c) If still tied after the first round of three, then coaches must then choose one player each for the shootout, and if still tied after, another, and so on, until a winner is declared.
 - d) Every player dressed except goalies must be used before repeats are allowed. Referees will write jersey numbers down or send players to the penalty box to ensure there are no repeated shooters. Shooters do not need to be designated on the game sheet prior to the game.

e) Teams do not change ends for Overtime or Shootouts.

25. Championship Final games will be played until a winner is declared. In the event of a tie at the end of regulation time, sudden goal overtime (meaning overtime will end as soon as the deciding goal is scored) will be played as follows:

- a) Five minutes of 5-on-5 (*including* the Goalie; that is, a goalie is not mandatory, and a skater may be substituted for a goalie if desired); a horn will sound to end the period; and then
- b) Five minutes of 4-on-4 (*including* the Goalie; that is, a goalie is not mandatory and a skater may be substituted for a goalie if desired); a horn will sound to end the period; and then,
- c) One Round of 'best of three' shootout in groups of three players for the first round and then round(s) of single players thereafter.
- d) If still tied after the first round of three, then coaches must then choose one player each for the shootout, and if still tied after, another, and so on, until a winner is declared.
- e) Every player dressed except goalies must be used before repeats are allowed. Referees will be asked to write jersey numbers down or send players to the penalty box to ensure there are no repeated shooters.

26. Penalties that have not expired by the end of regulation time carry over into the overtime periods; teams can never drop below four players in overtime: i.e., if there is a penalty during the 4-on-4 overtime period, the non-penalized team shall add a player. If a penalty is still being served at the end of the second (4-on-4) overtime, then the player serving the penalty may not be in the first group of three players in the shoot-out but may participate after that.

After Each Game

It is each team's responsibility to ensure a clean dressing room is left upon completion of their game. All teams are requested to vacate the dressing room 20 minutes or less after their game is completed.

Photographs

Only team staff and fully dressed players may step on the ice for photos or other purposes, at any time; others may be taken from the players' bench. Team Photos are only allowed after a Championship game and organizers reserve the right to limit photos due to time constraints or otherwise.

Player of the Game Awards

Coaches will select their own Player of the Game. These may be awarded after each game, or at the end of the tournament, and the award(s) should be given out off the ice (i.e., in the changeroom). Awards for round robin games will be given to teams when they register for their first game, and then for each playoff/ final game at check-in.

U9 Jamboree Rules

Current Hockey Canada and OWHA Rules shall govern U9 Jamboree play except as amended below.

1. All U9 games will be played on Full Ice and consist of a 3-minute warm-up and 10-10-12 stop time periods. One-minute will be allowed between periods.
2. All games begin immediately upon completion of the 3-minute warm up.
3. Scores will be kept, and if during the third period there is a goal differential of five (5) or more, the clock will continue running time, if differential goes back to four, then gamewill return to stop time.
4. If the tournament is ahead of schedule, **teams should be available to play up to 15 minutes** prior to the start of their scheduled playing time. Tournament organizers will notify them if the referees are available for such to occur. As per OWHA rules, teams may not take to the ice without referees present.
5. Players will change on the fly or at a whistle. We strongly recommend that players do not double shift and that fairness and ice equality is practiced by all coaches.
6. All teams will play three games (3). There will be no playoff or championships as per Hockey Canada/OWHA Jamboree Rules.
7. The decisions of the Tournament Officials are final with no appeals.
8. All players will receive awards following their final game.

U7 Jamboree Rules

U7 games will be played on Cross-Ice per current U7 Hockey Canada and OWHA Pathway rules.

Hockey Canada playing rules are followed except as stated below:

1. 4-on-4 (plus a player defending the goal) - a player may play goal, but full goaltender equipment is not required.
2. Game format: two periods with a run-time clock, not to exceed 50 minutes.
3. Timed buzzer or whistle for line changes:
4. If there are fewer than four players on the bench, the active player designated to stay out for the following shift must return to the bench area prior to continuing play.
5. On the buzzer/whistle, players must relinquish control of the puck immediately and vacate the ice. The new players enter the immediately. Failure to immediately relinquish control of the puck or new players entering the ice surface prematurely may result in a penalty (see Penalties).
6. Game play does not stop; players change on the fly at buzzer/whistle.
7. Shift lengths will not exceed two minutes.

8. Incidental contact may happen, but bodychecking is not permitted.
9. No icing or offside.
10. Face-offs will start each half.

Change of possession:

- Continuous play - when whistles lead to a change in puck possession, the official (or coach) will signal the attacking players to back off three metres. Once the attackers have moved back, play may resume as soon as the possession team has control of the puck.
- Goaltender freezes the puck - the official (or coach) blows the whistle to indicate the attacking team backs off three metres and defending team gets possession.
- Puck shot out of play - the offending team backs off three metres and the official (or coach) gives the non-offending team a new puck.

Penalties

- a) Minor penalties are noted, with the official (or coach) briefly raising their arm to indicate a penalty will be assessed. At the conclusion of the shift, the official (or coach) notifies the team of the infraction and the number of the offending player.
- b) If the offending team controls the puck, the official (or coach) blows the whistle and calls for a change of possession: the non-offending team is given a three-metre cushion.
- c) The offending player will sit out next shift, but the team will play even strength.
- d) Should an infraction occur that would normally require a player to be ejected from the game (game misconduct, match penalty, gross misconduct), the player will be removed for the remainder of that game. Even under these circumstances teams will not play shorthanded and no game incident report will be required.

All teams will play three games (3). There will be no playoff or championships as per Hockey Canada/OWHA Jamboree Rules.

The decisions of the Tournament Officials are final with no appeals.

All players will receive awards following their final game.
